RE: D7, All-Star League
December 17 2011 & January 7, 21, 2012

Dear League Presidents:

You are the only person in your league to receive this cover letter and accompanying All-Star tournament information and forms. If you are not the person in your league in charge of all-stars, then please give this letter and enclosures to the proper person.

The plan is to have 36 teams in each age group, Leagues over 1000 players can have 2 teams per each bracket, leagues may have additional teams to fill the brackets to 36. *As discussed if your league wishes to have more than the minimum teams please declare ASAP the numbers on the form.*

We need host leagues for all age groups. Please write or fax your request to host one or more age groups no later than Monday, November 14th. Your request must include a map showing directions to your tournament site and a map to your site showing field locations. While the host leagues have the responsibility to prepare the fields and assign the referees, they get to keep all the profits from the refreshment sales. Your league will be reimbursed at the rate of \$45.00 per game and we need three referees per game. Host leagues must also have officials at the game sites to resolve disputes and enforce rules.

The deadline for receipt of the team entry form is Monday, November 28, 2011. No exceptions because I will be completing the game schedules so that they can be posted on the D7 website.

A \$10.00 hosting rebate per team hosted will be given to each league to help defray expenses.

Yours in Soccer,
John H Hodgson
California Youth Soccer Association-North
District VII Commissioner
