M/S/C approve minutes of October meeting

John reported there are still some missing game cards. Adm. will help track them down. Must have in order to have accurate standings. Linda did report that there are fewer than last year.

Rich- all is going pretty good. Two groups have play offs. Read letter from Selma re game in Hanford. Question on a pass- none turned in for that player.

Martin- going well- will help locate game cards.

Pat- all quiet. Had a request to change game for CVSA from Porterville. There will be no change.

Maureen- no one calls group going well.

Renee- all quiet.

Mick- has received 11 evaluations this year- 6 were positive and 5 indicate Refs need work. One was issue of coach/referee Mick has sent a letter had 3 complaints on same individual. It was suggested that perhaps Age Group Adm should attend game in Porterville.

Gloria- all seems to be going well.

Issue of Reedley coach U16B who was red carded and team had no other coach they forfeited games of 10/22 and 10/23. What to do with regards to this weekend. PP has rule with regards to team forfeiting two games.

M/S/C- Suspend Reedley team from the Playing Program for the remainder of the season based upon two forfeit rule in handbook.

John reported that having visible Field Marshall' does make a difference. Linda stated that for Pilabos site both E. Fresno and Fig Garden have done a great job at covering the site. Fresno Metro paid fine for day they missed.

Linda reported medals are in as soon as Age Group knows winner let office know; we will get count and issue medals. If Adm wants to present medals- we'll give 20 but return what is not needed.

John asked how new format was going with administrators is it too much with combined groups. All agreed it was fine and with not having to do scores and standings it isn't that much work involved.

Group agreed to not have a December meeting.

Next meeting will be Wednesday January 4 7PM D7 Office.

CLAY AND ED TO BRING PIZZA AND DRINKS.

There being no further business meeting was adjourned.

Respectfully submitted

Linda SoRelle
